A VACANCY IN THE SUPERINTENDENCY

Key Decisions for the Lowell School Committee

Planning for a Transition

Massachusetts Association of School Committees

MASC is the official representative of the National Alliance of Superintendent Searchers

First Steps to Take Upon Notice that a Superintendent Vacancy will Occur

- ASSESS the attractiveness of your position and consider what makes the position more or less attractive. This will be important in anticipating the size and quality of the candidate pool as these factors will be important considerations for prospective applicants.
 - a. What is the reason for the vacancy in our superintendency?
 - b. Is the position legitimately vacant or is there a clear heir to the superintendency in your district at this time? Is there any other reason that an outside candidate will be concerned about another candidate having an inside track?
 - c. Will a candidate come into the district with likelihood of success or the challenge of confronting difficult and challenging circumstances?
 - d. Can we have a publicly transparent process and still protect the confidentiality of candidates appropriately? (How much confidentiality can be provided?)
 - i. Will we need to have a late stage public review prior to the final decision making to involve the public?
 - e. Will the search process and subsequent transition be smooth, or are there likely reasons for disruption?
 - f. Do some of these challenges face the superintendent to be hired:
 - i. Search Process/Level of Public Scrutiny
 - ii. Governance/School Committee
 - iii. Support of the Central Office Team and Principals
 - iv. Budget and Finance Issues for School
 - v. Academic Achievement
 - vi. Political or Legal Issues
 - vii. Status of Labor Relations
 - viii. Scrutiny by Local Media
 - ix. Relationships with the Municipal Government(s)
 - x. Involvement of Local Special Interests (Business, Universities, Constituencies)
 - xi. Satisfactory Economic Package for Candidate (i.e., Contract Provisions, Valuable Compensation Items)

2. Consider your options for the interim period or the permanent superintendency.

- a. Do you want an interim superintendent for a specific period?
 - i. Internal or external interim?
 - ii. Will interim superintendent be considered for permanency?
 - iii. Will the interim superintendency serve as an "audition" for a candidate who wishes the position permanently?
 - iv. How much process do you need for an interim?
- b. Do you want to go right to the permanent superintendent search process?
 - i. Make an immediate appointment (internal promotion or external)?
 - ii. Promote your internal candidate?

Special note in interim superintendencies:

An interim superintendent is nothing more than a superintendent with a short term contract that might run for a week or two, month or two, several months, or as long as a full year. The law requires only that a school committee appoint a superintendent in public. No process is required, nor must you engage in an informal or formal search. You may need to consider what your community will demand in terms of transparency, depth, or civic involvement.

During an interim superintendency, the person holding the position has all the authority of a full-time, "permanent" superintendent.

One distinct advantage of an interim superintendency is that faculty and staff generally collaborate fully and engage in exemplary behaviors for a variety of reasons, not the least of which is that they do not want an interim superintendent reporting to her/his successor who among the staff may be less loyal or reliable.

3. Determine what kinds of assistance will the school committee require for interim or permanent superintendent?

- a. Professional services (Full, Partial, Technical Assistance),
- b. Recruitment
- c. Technical Assistance from available sources:
 - i. Preparation for Search Process
 - ii. Graphic Design
 - iii. Recruitment (Mailing Lists, Recruiting Lists, etc.)
 - iv. Advertising
 - v. Focus Groups and Focus Surveys

- vi. Search Committee Support and Orientation
- vii. Compilation of Applications
- viii. Question Development
- ix. Background Review
- x. Parliamentary Assistance in Decision Making
- xi. Contracting Consultation

4. How Much Public Participation Must You Have?

- a. Search Committee (including size, membership, extent of mandate)
- b. Public Input into Search Process (i.e., On Line Surveys, Live Community Forums, Outreach)
- c. Participation of Administrative and Teaching Faculty
- d. Pre-Search and Post-Initial Interview Participation.

5. Timetable

a. Schedule for Search Milestones and Hiring Date

6. Screening Process

- a. Initial Stages Screening Candidates and Selection of Interviewees
- b. Vetting and Reference Checking at Early Stages, and again in later stages
- c. Preparation of Search Committee
- d. Initial Interviews (includes preparation of questions and process)
- e. Instructions to Screening Committee (Support for Screening Committee)
- f. Selection and Referral to School Committee

7. Public Review Process

- a. Public Interviews
- b. Meet the Public Opportunities
- c. Public Selection

8. Contracting with Candidate

Looking for a Leader – What are the important things to consider?

<u>**DETERMINE**</u> some of the important elements of the superintendency and the process you will use in finding a chief executive.

- 1. What do we want in a district chief executive?
- 2. What are the critical skills we seek in our new leader?
- 3. What are the key responsibilities and challenges confronting the district and the next leader?
- 4. Do we need to look locally, regionally, or more widely?
- 5. When do we want this leader in place?
- 6. How do we want to engage the district (surveys, focus groups, involvement in interviews)?
- 7. Whom do we want to involve in the process?
- 8. Who will lead the process for the school committee?
- 9. What are the factors that will determine if candidates will apply:
 - a. History of stable leadership.
 - b. Presence of internal candidate(s).
 - c. Financial situation of the district.
 - d. Relationship with the municipal leadership.
 - e. Administrative and academic status of the district.
 - f. Leadership of the School Committee.
 - g. Compensation package and contract language.
 - h. Relationship of the teachers union and superintendent in both the sending district and receiving district.
 - i. Political factors creating the transition.

AT THE BEGINNING: INITIAL DECISIONS

- 1. Specify the nature of the search (Internal, external, national)
- 2. Determine if the district will oversee its own process or seek assistance from a consultant.
- 3. Identify key search process tasks and timelines.

Decisions Related to the Timeline: Approve Timeline¹ (See Attachment)

CRITICAL ADMINISTRATIVE DECISIONS:

- 1. Establishing a Search Committee:
 - Size, Composition Categories²
 - Whether or not School Committee members will join.
 - Involvement of Faculty.
 - Balancing the interests of the community, students and parents with those of school district staff who often seek to influence the selection process.
 - Charge from the School Committee³
 - Process for Selection of Committee Members
 - Guidelines for Attendance and Missing Meetings
 - Setting Orientation Committee Date
 - Commitment to expediting process by deadline.

2. Reimbursing Candidates for Travel: Semi-Finalists and/or Finalists

3. Establishing Candidate Requirements: Academic Requirements (Doctorate or Masters)

Years of Administrative and/or Teaching Experience

Professional Skills/Experiences

¹ The timeline is a tentative one since it may always be subject to change due to unforeseen circumstances, weather or other events. January, February and March are perilous months for weather.

² Size matters here because the more members serving the harder it is to reconcile everyone's schedule. MASC recommends that all search committee candidates agree to attend a preset orientation meeting and agree to attend all interview sessions.

³ A charge relates to the mission of the Search Committee with items such as: a) Candidate Selection (i.e., mandatory interviews of internal candidates; mandatory interviews of district residents, etc.); b) Number of finalists to refer back to the School Committee; c) Instructions relative to selecting a chair; d) Other items as needed.

4. Application for Superintendency: Any special requirements or information for candidates⁴

5. Set Compensation Parameters: Salary

Fringe Benefits

Other Provisions

DRAFT SEARCH TIMELINE SUPERINTENDENT SEARCH - Model Timeline

This timeline can take from 3-5 months and would need to be flexible allowing sufficient time to make up for unanticipated delays. The most likely delays would be on the search committee end because of the number of potential schedule conflicts. A September start date would allow for considerably more time to plan, recruit, and interview. A late start (i.e., January) will still work well provided the school committee expedites the process.

February School Committee receives preliminary documents, approves draft

timeline, sets focus group meetings, makes decisions about recruiting

search committee, etc.

Search Committee Orientation (Set Fixed Date)

Focus surveys prepared and on-line, focus groups scheduled and begun,

materials development completed and ready for distribution

February - Early March Advertisements/E-Mail and General Mail distribution of materials.

Also, distribution of search information to recruitment networks.

Materials mailed and distributed.

Candidate recruitment is ongoing.

Focus Group

Search Committee will have organized to prepare for screening of

candidates, scheduling of interviews, and preparation of questions.

March 29, 2019 Deadline Set for Filing Applications (3:00 p.m. EST via mail, e-mail, fax

or personal delivery to search coordinator)

Applications are compiled and prepared for the Search Committee to

review during school vacation. Review begins immediately.

April 1 - 26 Search Committee begins initial screening, selection and initial

interviews. Process culminates with recommendations to the School

Committee.

May 1-17. School Committee receives report and recommended finalists.

linterviews candidates, conducts site visits, and other due diligence

steps.

May 31 School Committee makes hiring decision Superintendent takes office or

before if so needed and negotiated.
